A Bill to Amend the SGA Constitution

Whereas, the current SGA Constitution Article 6 Section 2 reads,

Section 2: Composition and allocation of seats.

A. The FYC shall be a body of fifty first year students.
B. Members will be selected from their respective campus residence halls. The council seats shall be allocated in proportion to the first year student populations within the residence halls. Each residence hall with a first year population shall be allocated at least one council seat.
C. Three seats in the FYC shall be designated as "At-Large Seats." These seats will serve the purpose of representing first year students who do not live in residence halls.

Be it amended to read as follows:

Section 2: Composition and allocation of seats.

A. The FYC shall be a body of sixty-five first year students.
B. Members will be selected from their respective campus residence halls. The council seats shall be allocated in proportion to the first year student populations within the residence halls. Each residence hall with a first year population shall be allocated at least one council seat.
C. Three seats in the FYC shall be designated as "At-Large Seats." These seats will serve the purpose of representing first year students who do not live in residence halls.

Therefore the following amendment shall be forwarded to the elections board and put on the SGA spring election ballot upon 2/3 senate approval.
Copies should be sent to the following: Elliot Spillers, SGA president; Polly Rickets, Executive Vice President;
