Kelsi Long
Statement of Intent

I am running for Executive Secretary because I want SGA to be more involved and able to help students solve issues that arise on campus. I will partner with the source to create a monthly newsletter that will be sent out to all registered organizations so that students can be informed about initiatives taking place and have the opportunity to become involved in that initiative if they would so desire. I want to make SGA completely transparent and 100% accountable and available to all students. Also, I want to expand Say Hey SGA to make students aware of legislation going to the floor in Senate and meet their senators so that they can help shape legislation that is sent to administration. My goal is to let you, the students, shape our campus to a welcoming atmosphere that fosters inclusivity while letting everyone voices be heard! Vote Kelsi Long today and let’s improve campus together! #LoveUALoveLong
