Miranda Cobb  
Statement of Intent  

I, Miranda Cobb, am hereby stating my intent to run for Executive Vice President of the University of Alabama’s Student Government Association. I believe SGA should reflect the values and ideals of the student body at the Capstone. Each position on the executive board plays an integral role in the execution of SGA goals. Executive Vice President should not only emulate these core values --- but should want to make a difference and leave a lasting legacy on campus. My mission is to create One Capstone. In doing this, I would strive to bridge the gap between students and faculty, foster sustainable programs, and increase transparency among campus leadership. ~ “One goal, One passion, One Capstone” ~
