Shelby Norman
Statement of Intent

I am declaring my candidacy for Vice President of Student Affairs because I am passionate about students. On a campus of 37,000, it is easy for any student to feel unimportant - like a small fish in a large pond - but that isn’t who we are at The University of Alabama. I am running to show students, all students, that they are not only important, but that their success is integral to fostering the familial community that thrives here at UA. I am running to implement programs and initiatives for students to take advantage of all of the great resources that our university provides, as well as to push for necessary resources that students currently lack. I want to reach out to students and let them know that no matter who they are, how they identify, or where they come from, that their voices matter, and that if I am elected, their voices will always be heard.
